In conjunction with the United Adjunct Faculty of NJ we have set up a website to educate, enroll and save you money on all your benefit needs. The health insurance plan offers 100% coverage for most services. Additional benefits include the first fully insured dental plan in NJ, as well as numerous other products including critical illness, life quotes from over 30 carriers, long term care and value added services. Learn how you can obtain glasses for only \$25.00 or join the smart saving marketplace for no cost.

GO TO: www.NJAdjunctFaculty.com and get all the details. Your union endorses this program for all members even if they have not currently signed up to teach this semester. Our consultants will educate, bill and service all participants.
